

# Applying for your Ghana Visa

## Where do I do it?

You can apply by delivering the application to the counter of the Ghana High Commission or by sending it in. More information here:

<https://www.ghanahighcommissionuk.com/passports/visaapplication.aspx>

## How long does it take?

It says it takes 10-15 days, however Marti recently applied and it was a longer process, and they had a couple of queries on her application so I would do this asap to save any last minute stress. You can pay for a faster service.
